

# Seeking Kinship Care Providers for Research Study

The purpose of this flier is to let you know about a research study and provide some information so you can decide if you want to participate.

My name is Shelagh Larkin and I am a Ph.D. student, at the University of Kentucky and researching parenting stress in kinship providers.

The survey will only take 30-45 minutes to complete and there will be a raffle for five \$100.00 gift cards as a way to thank those who chose to participate.

Your participation is voluntary. No personal information is gathered and no answers will be tied to you.

If you are interested, you can call me at 513-478-4714 or email me at [Shelagh.larkin@uky.edu](mailto:Shelagh.larkin@uky.edu) to make arrangements to complete the survey.
