

Are You a Service Provider Working with Grandparent/Kinship Caregivers?

We want to hear
from you!

Who is conducting this study? This study is being conducted by the *College of Social Work at The Ohio State University*.

What is the study about? We'd like to hear about your experiences working with grandfamilies (i.e., families in which children are being raised by a grandparent, other relative, or fictive kin). We are *seeking to gain a better understanding of the needs and challenges grandfamilies in Ohio encounter*.

Why should I join this study? By taking part in this study, the information you share can *help the development and improvement of services, resources, and interventions for grandfamilies*.

What will I be asked to do? If you choose to take part in this study, you will be asked to complete a *10-20-minute survey*.

In appreciation of your time and sharing your experience, you will be entered in a drawing for a *chance to win a \$300 donation to their organization/agency*.
