

Kinship Caregivers Needed for Online Survey

OSU KINSHIP CARE STUDY [IRB #2023B0182]

We want to hear from you. Your opinions and experiences matter!

Who: We are looking for caregivers, ages 18+, who have been caring for their relatives' or family friends' child(ren)

What: A research study conducted by The Ohio State University (OSU) to better understand your experience and well-being as a kinship caregiver, as well as what supports you need.

You are invited to participate in a 30 minute online survey.
Survey participants will receive a \$25 e-gift card.

Why: OSU researchers are interested in learning about your experiences to make recommendations to decision makers the types of services, supports, and policies that might be most helpful to kinship families

How: Your involvement in this study is completely voluntary and information that you share with researchers will be kept confidential.
